REGISTERED TEAM PLAYERS LISTS

All players must **PRINT** their **FULL NAME** clearly and **SIGN** for each frame played. Result photos must also be **legible**.

Fake, duplicate or incomplete names on result cards may lead to void frames or a ban.

To register a new player to a team, tick the box on the result card next to their name when they play a frame and ensure they **CLEARLY** print their **FULL NAME** and **SIGN**. We will then update your registered players list.

For the first few matches all players will be automatically added.

Reminder: If a team is removed or withdraws mid-season, the registered players are not permitted to join another team.

SINGLES & DOUBLES COMPETITIONS

The Winter season sees the return of the SRPL Singles and Doubles Competitions. Registration forms are included with your team form and entry is still a reasonable £2 per player.

👤 Singles

Singles players need to be part of a registered SRPL team to enter.

👥 Doubles

Doubles partnerships don't have to be team mates but your chosen home venue does need to be an SRPL registered venue.

Please ensure your full name and phone number are written **CLEARLY** on the registration forms as this information will be posted on the website for your opponents to contact you. Entries missing details or illegible will be ignored.

Remember: Both competitions are league-wide, therefore a player can only enter each competition once.

Thanks for reading! Now go sort that registration out....
