

## WELCOME TO THE SUMMER/AUTUMN 2013 SEASON!

New season, new teams, new committee member...

### SHORT BUT SWEET

This will be a slighter shorter season than usual, finishing just before Christmas. You'll notice from the fixtures that there's no Singles or Doubles Cup this season due to the limited number of weeks we have.

We are hoping to host some singles or doubles events through the season, possibly over a weekend, so keep an eye on the Facebook group for more details.

All teams are still entered into the Team Cup Knockout competition though and details are, as always, available on the website.

### WELCOME NEWCOMERS!

With 16 new teams joining the SRPL this season we'd like to remind you all to take a moment to have a read through the FAQ's and rules so that you're aware of what's expected from you and your team in the SRPL. Should you experience any problems, or have any questions, please feel free to ask the committee.

Don't forget to join the Facebook group too so that we have an extra contact point should we need.

### PRESENTATION NIGHT

By the time you read this the **SRPL Big Night Out** will have taken place and hopefully been a roaring success. Stay tuned to the Facebook group to hear how much was raised for our designated charities: Two Saints and Headway.

### VENUE DETAILS

If you need to contact another team (should you just be running late, or worse, unable to attend a match), their details are available on the SRPL website under "TEAMS". You can also Google StreetView their venue by clicking their address. Magic!

With this in mind, there really is no reason to simply "no-show" to any match. Even if you're unable to attend at the 11th hour, please have the decency to contact your opponents to potentially save them food wastage etc. Should teams continue to fail to do this, we may have to bring penalty charges to offending teams.

### NEW COMMITTEE MEMBER

We are pleased to announce that Steve Farrow has recently joined the SRPL committee to assist with the running of the league.

Steve brings many years of experience in running pool leagues having previously been General Secretary and then Vice Chairman of The Bedford Pool League [96 teams] and also running the Beds Independent Pool League [40 teams] on his own. He has also held positions at a County Level as a former Chairman of Bedfordshire and Secretary of Hampshire, and at a regional level as Rankings Secretary for Region 4 of the English Pool Association.

I'm sure you'll all agree that this extra assistance and experience will help us to improve the SRPL going forward.
